

Spring 2026 - Samsung RLC Install Training

Join us this spring for training on Samsung residential and light-commercial ductless / ducted split-systems. This 2-day class will focus on the skills necessary to apply, install, and setup Samsung RLC systems.

Topics Covered:

- Where to find additional resources for Samsung products
- Features and benefits of Samsung products
- Application requirements for systems containing R-32 refrigerant
- Installation process for indoor units, outdoor units, accessories, and controls
- Startup process for all Samsung RLC systems
- Setting and testing airflow on ducted indoor units
- Programming option codes and user functions
- System testing and verification of system operation
- Sequence of operation and various system operational modes

Date	Time	Fee	Register
4/16/26 & 4/17/26	8:00AM to 4:00PM	\$50.00	<input type="checkbox"/>
5/13/26 & 5/14/26	8:00AM to 4:00PM	\$50.00	<input type="checkbox"/>

All classes are held at our Elk Grove Training Center - 780 Lively Boulevard, Elk Grove Village, IL 60007

Class sizes are limited to 20 participants and fill quickly.

Refunds will not be issued for no shows or cancellations within 1 week of class date.

All courses include light breakfast, lunch, beverages, and course materials.

To register, please complete the section below and check the box next to the class you want to attend in the list above.
